Serving the Community for 40 Years

Q: What does Mayfield Community School offer its students?

New Subjects!

Before they are expected to make any choices, our students will **experience the full range of every subject available to them** to study to Junior Certificate Level.

As well as the subjects your child is familiar with from Primary School (Irish, English, Maths, History, Geography etc) they will also be offered:

WOODWORK

ART

METALWORK

BUSINESS STUDIES

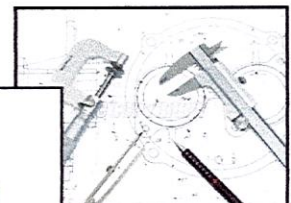

SCIENCE

HOME ECONOMICS

TECHNICAL GRAPHICS

COMPUTER STUDIES

PHYSICAL EDUCATION

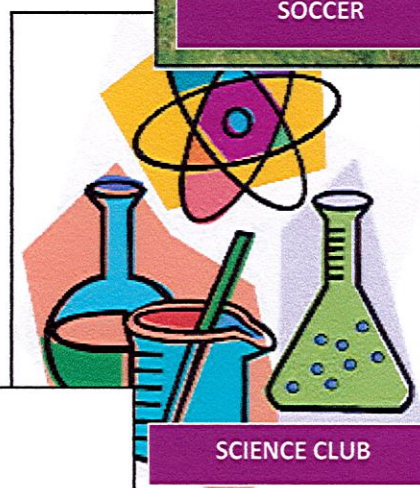

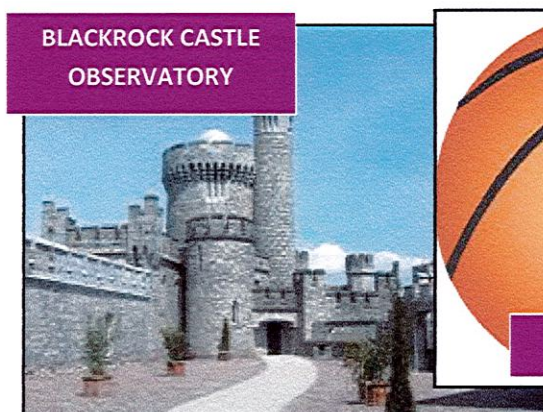

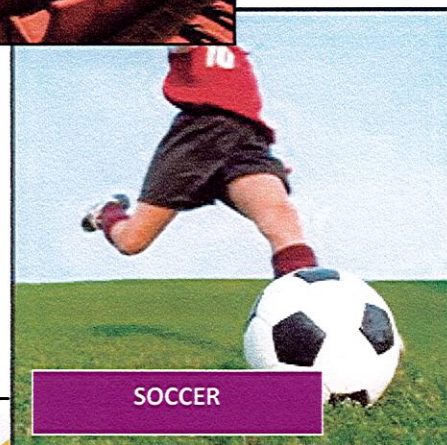

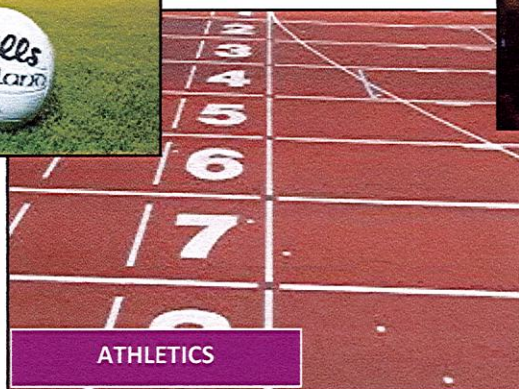

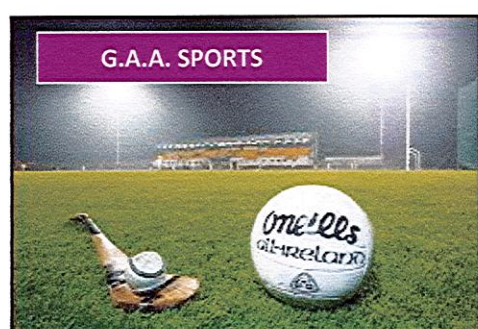

Q: What extra-curricular activities will be available to its students?

Something for Everybody!

We offer a **very wide range of activities** and we are confident that all students, no matter what their interests, will find one or more that they will enjoy.

Here is a small sample of what your child can become involved in:

Q: How does Mayfield Community School support and care for its students during the transfer process and beyond?

Our students' welfare, happiness and educational progression are at the heart of all we do in Mayfield Community School. Caring for our students is extremely important to us and we do everything possible to ensure they are well-adjusted, confident and happy students. This care begins with the transfer from primary school.

- We *meet and advise* parents at the Entrance Assessment
- Our Home/School teacher *liaises with parents and primary schools* to ensure a smooth transfer
- We hold an *Information Meeting* for Parents in May.
- We provide an *Information Pack* for parents.
- We bring in the incoming students for a *tour of the school* in June
- We hold *follow-up meetings with new parents* in September and October
- This care continues through the students' school life. Our *Care Team* looks after the welfare of students, and every student has access to the *Guidance Counsellor and School Chaplain*

Q: How does Mayfield Community School encourage its students to progress to Third Level Education?

Our students' education progression and success matters. We encourage all our students to fulfil their educational potential. From First Year on, they begin their journey to college.

Homework Club

Each Monday, students are helped with their homework by UCC and CIT students. As a reward for completing the programme, students go on a trip to UCC Mardyke Arena in December and a trip to CIT Sports Complex in March. Certificates are presented to students, with their parents, in UCC in recognition of their attendance

Summer Camp

A number of First Year students are invited to attend a Summer Camp in UCC and CIT at the beginning of June. Students have great fun learning about the colleges and courses.

Chemistry Science Investigation Camp

Second Year students are invited to UCC to attend a Chemistry camp, an enjoyable interactive fun camp, where students experience the UCC science labs first hand.

Students Achievement Awards

Second Year students are selected by teacher to receive awards in Maths, French, Irish and Science, recognising their work in these areas. Awards are presented in UCC.

Academic Supports

Exam students participate in additional classes and an Easter Revision School financed by UCC

Q: Are there scholarships available for students progressing to Third Level education?

Scholarships have been awarded to Mayfield Community School in the last number of years:

2012

Three **bursaries** awarded in the area of Science, Technology, Engineering & Maths in recognition of excellent results in the Leaving Certificate. Awarded in conjunction with our education partners **CIT and UCC**, and through our business links with **Johnson & Johnson**.

2012

The **winner** of a portfolio preparation **scholarship**, to CIT Crawford, achieves the requisite marks to progress to a **degree in Fine Art** in CIT Crawford.
