2. Characteristic spirit and general objectives of the school

Mayfield Community School is a co-educational, multi-denominational Community school established with the object of providing a comprehensive system of post primary education, combining instruction in academic and practical subjects and ongoing education for the purpose of contributing towards the spiritual, moral, mental and physical well-being and development of the Community. (Deed of Trust: Second schedule 2, Articles of Management).

The Board defines the community as that served by our main feeder Primary Schools as listed in this policy and those resident within the town land of Mayfield.

Since its foundation one of the features of Mayfield Community School has been our wish to create an environment -

- Where pupils could, according to their ability, learn, grow and develop through adolescence so that they could cope with the world beyond school.
- Where teachers could fulfil their roles as 'imparters of information, 'facilitators' and 'enablers' and could take responsibility for the school and be accountable for their functions within it.
- Where parents could be involved and could share their legitimate concerns regarding the education and training of their children and where they would be welcome and accepted.

Our **MISSION STATEMENT** can be understood in the following words:

Together We Learn

Together We Care

Together We Respect

Objectives of our School:

- To provide a well ordered, sensitive, caring environment where the intellectual, spiritual, creative, physical, moral and cultural needs of the pupils are identified and addressed
- To promote a curriculum designed to accommodate individual learning styles so that all may experience success
- To create the environment where pupils develop a love of learning and acquire a wide range of learning skills that help them become independent and self-sufficient adults who will succeed and contribute responsibly in a global community
- To encourage pupils to take ownership and responsibility for their behaviour and learning
- We see personal discipline as central to achieving a well ordered, sensitive and caring atmosphere in which learning can take place
- To ensure opportunity is provided for pupils to participate in a variety of physical activities and experience a sense of well-being and self confidence that arises from good health and fitness
- To promote and facilitate further education for the local and wider community
- To empower teachers to fulfil their roles as educators and to promote a sense of community and support among staff
- To give due recognition to all religious beliefs and to reflect and reinforce the Christian Ethos of the community we serve
- To show appreciation of our diverse heritage, traditions and cultures
- To show respect in regard to self, to one another, to property and to our environment

Admission Criteria for admission to ASD Special Class in Mayfield Community School / Gaelcholáiste Ghoirt Alainn

- Mayfield Community School requires that all applications are accompanied by documentary evidence that proves conclusively that the applicant has been diagnosed with an Autistic Spectrum Disorder by an approved specialist / team of specialists in the fields of educational psychology / clinical psychology / child psychiatry / paediatrics. The school require that parents/guardians of applicant pupils provide it with a full, written original diagnostic history. Psychological reports/ Occupational Therapy reports/ Speech and Language Therapy reports, or any other reports, which *refer* to the original diagnosis, will not be accepted in lieu of the original written diagnosis.
- Applicants must have copies of a most recent psychological/cognitive/multi-disciplinary etc. assessment and this should recommend placement in an ASD class in a mainstream post-primary setting. This documentation being in-date (in the previous 3 years) can be a determining factor in the allocation of places. It must be supplied with the application.
- Students who apply must have a diagnosis of Autistic Spectrum Disorder (DSM-VI/DSM-V/ICD 10) and supporting original documentation in order to be considered for enrolment in the MCS ASD Classroom.

- Priority will be given to students who are currently enrolled in our school who receive a new ASD diagnosis. Only applications from 6th Class Primary School will be considered.
- Students who apply must, in the judgement of the MCS, have an ability to meaningfully participate in mainstream classes in order to be considered for enrolment in the MCS ASD Classroom.
- Students applying who have a general learning disability, will only be considered for enrolment if:
 - Their diagnosis is no greater than ‘Mild’
 - The ASD Classroom is deemed suitable to meet their needs.
- In order to determine the suitability of MCS for a student, it is strongly recommended that applicant students have School Transition Reports completed by a psychologist in conjunction with the feeder school and parents/guardians. This is especially important for applicant students whose most recent psychological, cognitive, multi-disciplinary, educational, developmental, clinical assessment etc. are more than three years in the year of application. In its absence a School Transition Report must be completed by the Primary School.
- Where a School Transition Report is not available applications should have a “Statement of Need” from the relevant HSE service. In this instance the student’s current school will also be asked to complete a School Transition Report. Applications without a “Statement of Need” or school completed School Transition Report where needed may be affected by their absence.
- In order to determine the suitability of MCS for a student, it is required that the Principal and/or selected member/members of the ASD Classroom staff are facilitated in meeting and engaging with the Principal of the feeder school and/or any other school personnel (such as mainstream Teachers, Resource Teachers and Special Needs Assistants)
- To determine the suitability of the school for the student, the enrolment process requires that the parents/guardians of the applicant pupil, and the Principal of the feeder school, agree to facilitate a selected member(s) of the ASD team, in conducting as many observations as appropriate of the pupil in his/her current educational placement.
- The enrolment process also requires that the feeder school, with parental permission, supply MCS ASD Classroom staff with copies of the applicant students’ work and their most recent IEP.
- Parents/guardians of students offered a place in the MCS ASD Classroom will inform MCS of their decision to accept or turn down a place in the MCS ASD Classroom within ten working days of offer letter being posted
- Once a pupil has been offered a place on the programme they will be invited to participate in a transition programme. MCS regard pupils’ participation in the transition programme to be essential in ensuring their smooth transition to their new environment,

as well as in facilitating ASD Classroom staff in making any necessary academic/other reasonable accommodations for the pupil in a pre-emptive and responsible manner.

- Should a place in the ASD Classroom become available during the school year the following procedure will take place
 - A designated member of the ASD classroom staff will visit and observe the applicant in his/her current educational placement.
 - A visit by the applicant to the ASD Classroom at MCS.
 - A meeting with ASD classroom staff and management to determine the suitability of the applicant according to the criteria outlined in the admissions policy.

ON-GOING REVIEW OF STUDENTS IN THE ASD CLASSROOM

- In reviewing the students' progress and the ability of the ASD Classroom to meet their needs and deliver the most beneficial educational programme, the following model of evaluation will be used:
Regular assessing of:
 - The academic, social and behavioural benefits of the student being enrolled in the MCS ASD Classroom.
 - The level and quality of mainstream participation.
 - Students' progression through IEPs.
- In cases where it is the professional opinion of ASD Classroom staff and school management that a student is not benefitting from their place in the MCS ASD Classroom this will be discussed with parents and referred to the Board of Management to assess suitability for continuance on the programme.
- In cases where the attendance of a student enrolled in the ASD Classroom is of a nature that causes the ASD Classroom staff and school management to be significantly concerned about their commitment and engagement to the programme, the impact on the attendance/non-attendance on the progress of the other students enrolled in the programme, and the possibility that a place is being denied to a more suitable applicant, the case for the students removal from the programme will be referred to the Board of Management.

Mayfield Community School / Gaelcholáiste Ghoirt Alainn shall admit each student seeking admission except where –

- a) the school is oversubscribed

- d) In certain circumstances the school may refuse admission if it cannot provide an appropriate education or if the student's behaviour may constitute a threat to the Health, Safety or Education of existing students.

- i) In exceptional cases the Board of Management reserves the right to refuse to enrol a student where that student has special needs which this school cannot meet or where s/he poses an unacceptable risk to her/himself or other students and/or staff and where such placement does not have the support or recommendation of a Multi-Disciplinary Team.
- j) Any refusal to enrol may be appealed to the Board of Management of the school. Appeals should be addressed to the Secretary to the Board.
- k) The Board of Management shall make every effort to comply with legislative requirements in its admission processes so that it can ensure that each student admitted can avail of an education appropriate to his/her needs and abilities.
